June 3rd Guest Speaker: Mr John Shepperd

“ Spinal Infection”

Classifications and Review of Epidemiology	Mr Mark Edmondson
Investigations, missed diagnosis, consequences and litigation	Mr Mark Norris
Management of Spinal Infections	Mr Philip Sell
Triumphs and Tribulations of BASS	Mr Philip Sell

June 10th

Written Exam for Brighton MSC

June 17th

Guest Speaker: Mr Tom Ember

“Scoliosis”

Aetiology, Classification, incidence.

Mr Zaq Chaudri

Measurement and monitoring

Mr Toby Colegate Stone

Natural history.

Mr Mark Norris

Conservative Management and Care Strategy

Mr Tom Ember

Surgical Management

June 24th

Guest Speaker: Mr Jon Johnson

Spondylosis, lysis, and lysis.

Epidemiology, and prognosis for symptoms of lytic lesions

Mr Shah Haleem

Radiological Review: Spondylosis, Old and New scoliosis,

Mr Richard Allom

Lysis, type and grading

Mr Simon Hoskinson

Conservative and Surgical Management of Spondylolysis

Mr Jon Johnson

NICE and Cochrane reviews on Spondylolysis.

July 1st

Guest Speakers: Mr Jonathon Lucas

Mr Nigel Henderson

“Spinal Trauma”

July 8th

Guest Speaker: Mr Jonathan Lucas

“ Metastatic Disease of the Spine”

Incidence, Risk of Paralysis

Diagnostic Measures

Radiotherapy/Physician/Surgeon partnership

Surgical Indications

Metanalysis of Surgical Outcomes

July 15th

Biomechanics Course, Finsbury, Leatherhead

July 22nd

Symposium: "Tumours of the Shoulder Girdle"

July 29th
